

# Membership in the Utah Watercolor Society

The Utah Watercolor Society welcomes as members residents of the state of Utah of all ages and abilities, from beginners to experienced professional painters, who work in a wide range of water media: transparent watercolor; gouache; acrylic; water media collage; and mixed media paintings done with a variety of water-soluble pigments (excluding water-based oils). This diversity of membership provides a unique opportunity for all to share ideas; connect with the artistic community; and continue learning while striving toward shared goals.
